### **Namibia Breweries Limited cleans up in Tsumeb**

#### **for immediate release**

On 14 August 2010 NBL kicked off another clean-up campaign at 8h00 at the Opawa Primary School in Tsumeb. More than 220 learners and a further 10 teachers participated. The learners were divided into groups to cover the maximum amount of ground possible and were well supported by the Tsumeb Municipality. Learners were encouraged to not only clean-up, but to recycle and this made it possible for the school to boost its volumes in the School Recycling Competition.

Patricia Hoeksema of NBL said, that these clean-ups initiated by NBL are not only about picking up litter, but also present an opportunity to talk to the community about good health, sanitation, cleanliness, and even recycling where possible. "The clean-up in Tsumeb is thus far a memorable one and Pauline Haufiku (4HNam), Virginia Kangootui (NBL), Mr. Tobias (Tsumeb councilor), the deputy Principal Ms. Shikongo, Mr. Mutubulwa (teacher of the school) and the learners of the school made it possible."
